# CBFO VOLLEYBALL

CBFO Volleyball is a recreational program available to those in 3<sup>rd</sup> thru 12<sup>th</sup> grade. The season lasts approximately 9 weeks from the first week of practice to the tournament. Practices are once per week for 1.5 hours at schools located in west Knoxville. There will be additional slots for extra practices offered first to the competitive division teams and then to all other teams based on availability. All game days and tournament will be played at schools in west Knoxville. Practice time and court depends on the team you are drafted to play for. There will be 1 to 2 matches played every Saturday game day. Tournament is a double-elimination tournament. **IF YOU TRY OUT FOR A COMPETITIVE TEAM YOU WILL HAVE UNTIL 6PM THE DAY AFTER YOUR TRYOUT TO WITHDRAW WITH ANY REFUND IF YOU DO NOT MAKE AN "A" TEAM.**

**Registration fee includes:** Practice facility, game facility, team shirt, and a medal and/or trophy awarded at the tournament.

## COMPETITIVE DIVISION

Student athletes in 5<sup>th</sup> thru 12<sup>th</sup> grades have the option to try-out for a more competitive division. You have to be present at try outs to be drafted to an "A" team (no exceptions). There is **no guaranteed playing time** in the competitive division and student athletes are played based on position and skill. Since this is a recreational program your player only has to be given a minimum of 2 rotations on the court per 6 player rotation. If your student athlete tries out for the competitive division and does not make a team they are automatically drafted to a mandatory rotation team where all players have equal playing time. The "A" team rosters are emailed out the night of the tryouts and posted to the CBFO website by following morning. If your player does not make an "A" team and will not play on a "B" team you have until 6pm the day after your player tried out to notify CBFO by email of their withdrawal or **NO REGISTRATION FEE REFUND WILL BE GIVEN.** Both our High School "A" & "B" divisions play at a higher level of play.

## NON-COMPETITIVE DIVISION

This includes 3<sup>rd</sup> thru 8<sup>th</sup> grade players. Equal playing time for every player on each team with mandatory rotation. All players rotate in at serving position and play all 6 rotations on court before rotating off to bench and then back in at serving position.
