CBFO Volleyball is a recreational program available to boys and girls in 2nd thru 12th grade. The season lasts approximately 9 weeks from the first week of practice to the tournament. Practices are once per week for 1.5 hours at schools located in west Knoxville. There will be additional slots for extra practices offered first to the competitive division teams and then to all other teams based on availability. All game days and tournament will be played at Farragut Middle School. Practice time and court depends on the team you are drafted to play for. There will be 1 to 2 matches played every Saturday game day. Tournament is a double-elimination tournament

Registration fee includes: Practice facility, game facility, team shirt, and a medal and/or trophy awarded at the tournament.

EVALUATION

All players are required to attend the player evaluation on 3/3/18 at 6:00 PM at Farragut Middle School. The purpose of this evaluation is to facilitate the creation of teams in each division that have comparable levels of skill and also to determine what divisions will make up the league.

DIVISIONS

CBFO Volleyball is primarily a recreational league, but if the opportunity exists to run both a competitive and a non-competitive division we will consider that, as well. Players will be drafted to competitive play if we run the two divisions. If competitive play is offered, it is generally at the 7th through 12th grade level.

The primary objective is to create an exciting and fun atmosphere where newcomers can learn the game of volleyball and more skilled players can further develop.

COMMUNICATION

Nearly all communication is by email through cbfoknoxvolleyball@gmail.com. Make sure you put a legible email address on the appropriate line. You will receive an email after registration closes with information about try-outs, parent meeting, etc. After all teams are drafted you will receive an email with your team roster, coach information, practice night/location and game schedule.
